If you or anyone you know would like to take any of the chairs etc., please be there on Sat. morning, otherwise they will be disposed of. We also will do some minor maintenance to the church if the help is there.

CATCHING UP:

Grand Knight's Report:

Hello Brother Knights,

As I look out my window and marvel at the beauty of God's creation, with the fall colours and all, I'm reminded that we really do live in a wonderful part of the world. We have so much to be thankful for, not just the beauty of our surroundings but also the standard of living that we enjoy and that we have the means to help others. Thank you to all who helped others in the last month through your involvement in our Council's activities such as the Pot-Luck dinner, Pancake Breakfast, Book Sale, Charity Appeal and the Ford demo program. Also to those involved in Church maintenance, those who serve as ushers, lecturers, who are involved with St. Michael's School and those who help in the greater community, seen and unseen (except by you know who), a sincere thank you.

In the month coming up we will have our usual Pancake Breakfast. On Saturday the 5th we will do what we can to clear out the Shrine room of unwanted chairs etc. Please come out and help if you can. There will not be any mall sales for Charity Appeal but we can all help the program by selling tickets to our lucky friends and associates. As I noted last newsletter, we will hold a membership drive on a weekend near the end of Nov. Remember that we do not have to wait for a membership drive to ask someone to join the Knights. If you know of someone who would be a candidate to join the Knights but don't feel comfortable asking, please pass on their name to a member of the executive.

Enjoy the autumn.

Eye Glass Collection:

As you may or may not know the Knights of St Michael's have been sponsoring a used eye glass collection program in conjunction with St. Michael's Parish. There is a collection box at the back of the church where parishioners can deposit used glasses. Brother Enrico Garrone has been the chairman of this effort and been collecting used glasses for a number of years now. It is with pride, that with the latest collection, Brother Bruce McLean will be delivering to our Brother Tony Viani another 197 pairs of regular glasses with 53 pairs of sun glasses. Brother Tony is Program Coordinator of the Dispensing Optical Program at Douglas College in Coquitlam. Tony has the students go over the glasses; identify the prescription and repair the frames so that they can be sent to third world countries. This is an on going program that works, thanks to all who donate, collect and compile.
