The same goes for Sunday when we will have to see to the feeding of who knows how many hungry Parishioners who come for the great food and to see the jolly fellow himself.

Grand Knight's Report:

Hello Brother Knights,

Well it seems that Christmas is approaching like a runaway train. We are now in Advent and looking forward to the celebration of the birth of our Savior. Our big event of the year, our Breakfast with St. Nicholas is just around the corner so we must start planning for the set-up on Sat. the 10th with the Breakfast the next day. We have purchased some new lights for the trees, something which should save us a couple hours of messing with the old ones. If you have a few garlands and/or tinsel that you no longer use, bring them along. We will try and make a new start with the decorations as with the lights. I encourage everyone who can to come out either on the Saturday or Sunday.

My thanks (and not just mine but Monsignor's as well) for all who came out to help with the clearing out of the Shrine Room and furnace room. Through the ingenuity of Fellow Knights we were able to realize about \$45.00 for scrap metal from the chairs etc. And also those that organized and attended the Pot-luck, thanks for the making of another great evening. Our first sitting for our Pancake Breakfast saw shortage of workers with some of our key helpers forming a colour guard for the Nov. 11th service after Mass. Wouldn't you know it, we had probable one of our biggest turnouts for the 8:30 sitting. Thanks to all who chipped in to pick up the slack. One Fourth Degree member missed the colour guard to stay and help. I guess the lesson is that we cannot take it for granted that there will be enough help at these breakfasts, so please, if you are able, stop by to see if you are needed.

Wishing you and yours a Happy and Holy Christmas.
