Memorandum

To: State Executive Board
Master, BC and Yukon District
District Deputies
State Directors
State Chairmen
Grand Knights
Faithful Navigators

For more than 100 years, the British Columbia and Yukon State Annual General Meeting and Convention has been convened not only to conduct the business of the State Council, which is one of the 72 State Councils within the Order having oversight of all local Councils, but also to foster better working relationships between the local Councils / Assemblies within BC and Yukon.

This year, the 104th Knights of Columbus BC and Yukon State AGM and Convention which will be held from April 23 to 26, 2015 at the Sheraton Vancouver Airport Hotel in Richmond, British Columbia, will see an attendance of more than 350 delegates from the various local councils and assemblies throughout the jurisdiction, together with their spouses and other members of the Knights of Columbus family. The theme for this year event is **But He said to them, "You give them something to eat"**.

To highlight this significant event, the Organizing Committee is planning to publish a Convention Souvenir Magazine, a commemorative book that would promote the various service programs / activities of the Knights of Columbus in the entire jurisdiction. Copies of the souvenir magazine will be provided to each convention delegate for keepsake and to share with his Council / Assembly members.

In full color and for a very reasonable rate, you are invited to advertise in the Souvenir Magazine. I would be pleased if you would consider providing Personalized Greetings Ad to everyone participating in the Convention or posting an advertisement for your own business in this year's convention magazine, and I am looking forward to a province-wide exposure of The BC and Yukon Knights.

Attached is the advertising sales form which details the rates and requirement along with contact information. Should you need more information, please feel free to contact Brother Edgar Ursua at 778-789-7081 or e-mail edziursua@shaw.ca

Vivat Jesus !
